

## Grants by Grant Cycle

Grants matching your search for 2010-11 **Household Hazardous Waste Discretionary Grants (HD19 )**

### Alameda County

**Grantee:** Alameda County

**Amount Awarded:** \$150,000.00

**Grantee Contact:** Mr. Bill Pollock

**CalRecycle Grant manager:** Linda Dickinson

**Project Summary:** Alameda County will focus on sharps, batteries, fluorescent lights, and public education. The project will recruit 20 retail sites collect fluorescent lamps and batteries; recruit 10 retail sites to collect sharps; and, adapt current HHW outreach to inform residents of alternative disposal sites for sharps, lamps and batteries in their community.

*Total Awarded for County:\$150,000.00*

### Calaveras County

**Grantee:** Calaveras County

**Amount Awarded:** \$90,000.00

**Grantee Contact:** Ms. Cynthia Knapp

**CalRecycle Grant manager:** Alan Ilusorio

**Project Summary:** Funds are being requested to improve collection areas for recyclable /universal waste at the Red Hill Yard Waste Facility. The site currently consists of 2 hazardous waste storage lockers, tanks for used oil and filters and used antifreeze . Materials collected include used oil, filters, antifreeze, automotive batteries, household batteries, latex paint, CRT;s, fluorescent light tubes, mercury containing devices, and appliances . The site currently has drainage issues, which limits access to portions of the site during winter months.

*Total Awarded for County:\$90,000.00*

### El Dorado County

**Grantee:** El Dorado County

**Amount Awarded:** \$33,873.00

**Grantee Contact:** Mr. Nikolay Ostrovskiy

**CalRecycle Grant manager:** Alan Ilusorio

**Project Summary:** County of El Dorado Environmental Management Department request HHW grant funds to expand the existing HHW facility in El Dorado Hills. Funds will be utilized for the construction of additional storage area, replacement of a storage container and equipment and outreach to implement a reuse program. The storage area will consist of a concrete pad for empty drums, pallets and equipment. The storage container will replace one of the existing storage containers that has rusted through and no longer provides sufficient secondary containment. Reuse equipment will include tables for presenting usable materials to the residents.

*Total Awarded for County:\$33,873.00*

### Los Angeles County

**Grantee:** City of Los Angeles

**Amount Awarded:** \$150,000.00

**Grantee Contact:** Mr Brian Ahn

**CalRecycle Grant manager:** Harnak Samra

**Project Summary:** The City of Los Angeles will construct a new, permanent household hazardous waste facility to serve the west San Fernando Valley communities of City of Los Angeles. The facility will provide an easy and convenient drop-off location for the residents of the west San Fernando Valley communities of the City of Los Angeles to bring in their household hazardous material for safe and legal disposal.

*Total Awarded for County:\$150,000.00*

## **Mendocino County**

**Grantee:** Mendocino Solid Waste Management Authority

**Amount Awarded:** \$300,000.00

**Grantee Contact:** Mr. Michael Sweeney

**CalRecycle Grant manager:** Linda Dickinson

**Project Summary:** Mendocino Solid Waste Management is requesting funds to construct a new permanent household hazardous waste collection facility serving all of Mendocino and Lake Counties. The facility will be HHW and a CESQG drop-off site, and will also be the hub of our mobile program that conducts 42 temporary HHW collections annually throughout the two counties and northern Sonoma County. The facility will have an extensive reuse `free store` open to public. The facility is projected to be a processing contractor for the new PaintCare producer extended responsibility program. the facility will also replace the current home of MSWMA`s HazMobile program, which is inadequate.

*Total Awarded for County:\$300,000.00*

## **Sacramento County**

**Grantee:** City of Elk Grove

**Amount Awarded:** \$150,000.00

**Grantee Contact:** Ms. Cedar Kehoe

**CalRecycle Grant manager:** Alan Ilusorio

**Project Summary:** Elk Grove is planning the construction of a new Permanent Household Hazardous Waste Collection Facility (PHHWCF), for the Sacramento region. The facility includes a reuse area and is designed for proper disposal and/or reuse of hhw. The southern region of Sacramento County does not currently possess a PHHWCF; thus, this facility will open in 2013.

*Total Awarded for County:\$150,000.00*

## **Santa Clara County**

**Grantee:** City of Palo Alto

**Amount Awarded:** \$150,000.00

**Grantee Contact:** Mr. Chuck Muir

**CalRecycle Grant manager:** Linda Dickinson

**Project Summary:** This project proposes to implement an expansion to the City`s existing HHW collection facility. Five additional storage containers ( a water-based paint bin, an oil-based paint bin, a flammable materials shed, two household product reuse cabinets , and a general supply storage shed) would be installed. A canopy structure would be installed to cover the HHW collection and sort area. Pavement or concrete will be added and security fencing will be constructed.

*Total Awarded for County:\$150,000.00*

## **Shasta County**

**Grantee:** Shasta County

**Amount Awarded:** \$249,446.00

**Grantee Contact:** Ms Ronni Harman

**CalRecycle Grant manager:** Matthew Fong

**Project Summary:** Shasta County proposes to hold approximately 6 temporary, one-day household hazardous waste (HHW) collection events in the rural area and small cities of Shasta County during the grant activity period. A public education component that utilizes person to person contact and mass media will compliment the HHW events.

*Total Awarded for County:\$249,446.00*

**Tehama County**

**Grantee:** Tehama County Sanitary Landfill Agency

**Amount Awarded:** \$89,386.00

**Grantee Contact:** Mrs.Kristina Miller

**CalRecycle Grant manager:** Matthew Fong

**Project Summary:** The Tehama County Sanitary Landfill Agency (Agency) is requesting \$89,386 to: Develop a more cost effective system for collecting and managing fluorescent lamps and other household hazardous waste products accepted at the Agency’s hazardous waste facility, Reduce operating costs by expanding its reuse program, and Conduct outreach to the local community to support the reuse component.

*Total Awarded for County:\$89,386.00*

**Yuba County**

**Grantee:** Regional Waste Management Authority

**Amount Awarded:** \$137,295.00

**Grantee Contact:** Mr. Keith Martin

**CalRecycle Grant manager:** Matthew Fong

**Project Summary:** The proposed project entails implementing a pilot door-to-door HHW and Sharps Collection Program for Yuba and Sutter counties to complement the existing permanent Yuba-Sutter HHW Collection Facility in Yuba City. The pilot door-to-door HHW and Sharps Collection Program will be by appointment and will give preference for participation in this program to senior citizens and persons with disabilities who are not able to bring their hhw materials to the permanent facility in Yuba City.

*Total Awarded for County:\$137,295.00*

**Grant Count: 10** **Grand Total for Selected Counties: \$1,500,000.00**
